

FORTRA™

Core Impact 101 Training

Welcome to Core Impact Training 101. This training is designed to give you an in-depth overview of this tool's powerful pen testing features and provides a wealth of information that can add to your skillset. There is something for everyone in this training, from new security team members just starting to implement pen testing, to the battle-hardened cybersecurity veterans that can further enhance assessments with advanced techniques, tips, and tricks.

About the Course

- Free for Core Impact Customers
- 40 Lessons
