

FORTRA

DATASHEET (Digital Defense)

3 Reasons For MSPs To Partner With Digital Defense

Rapid Monetization

- Cloud-native, enables fast and painless start up, rapid time-to-value
- GTM-ready with actionable plays
- Quickly and simply assesses hybrid environments, multiple management consoles
- Onboarding with product training and certification
- Sales, marketing, technical enablement

Optimized Offering & Operations

- True multi-tenant architecture, not retrofitted, SaaS platform
- Centralized administration, single login, self provisioning
- Seamless integration with mainline SIEMs, third-party systems
- White glove professional services, consultation
- Trusted advisor leading clients through evolving market conditions

Demonstrated Proof of Value

- Comprehensive security posture with business context
- Peer comparison, Security Rating, Prioritized remediation
- Clear, actionable reporting/progress tracking combats client churn
- Customizable interface and reports, brandable with MSP or client logos
- Secure and protect clients effectively with enhanced vulnerability management, risk prioritization
