Communication & Reinforcement Tools

Increase employee engagement with a diverse suite of communication tools, with new assets added regularly

Newsletters

Send training updates and security best practice highlights directly to your users.

Posters

Promote your training program with visuals you can tailor to match your brand.

Wallpapers and Web Banners

Increase program engagement with vivid, thought-provoking digital messaging.

Comics

Add a fun visual aspect to your training program with short comics depicting characters in relatable scenarios.

Infographics

Share cyber security tips and best pratices in a compact, engaging format that's perfect for social or intranets.

Cyberpedia

Get everything you need to know about key cyber security topics in exhaustive, informative webpages.

What is Videos

Send cyber security tips and best practices to users in bite-sized streaming video format.

All communication tools are currently available in EN, FR-CA, and FR-FR. For additional language support, please contact the Terranova Security Customer Success team.
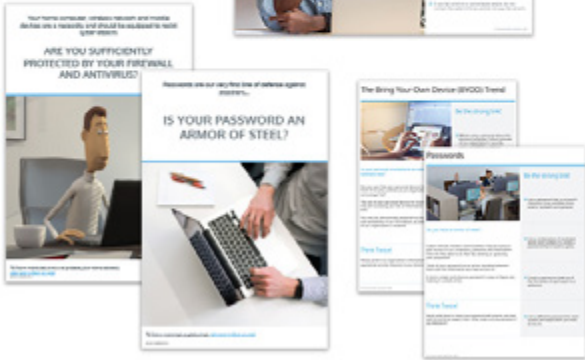

Security Awareness Training Languages

Training cyber heroes is a worldwide movement, which makes language a crucial component. Empower your employees by offering security awareness training in their preferred language.

EN	English	**JA**	Japanese
EN-GB	English (United Kingdom)	**PT**	Portuguese (Brazil)
FR	French (Canada)	**RU**	Russian
FR-FR	French (France)	**ZH-HK**	Chinese (Hong Kong)
ES	Spanish (Latin America)		(script traditional; narration cantonese)
ES-ES	Spanish (Spain)	**ZH-CN**	Chinese (PRC*)
DE	German		(script simplified; narration mandarin)
IT	Italian		

Additional languages are available upon request.
